

SRIRAMA EXPERIENCE COMPANION

For a faster and better user experience, the Sriram Experience Companion can also be downloaded as an app on your desktop (Windows/Mac) and Mobile devices (Android / iOS).

Please follow the below steps to install the same:

Desktop:

Note: For Mac Users, kindly use Chrome or Firefox browsers as the download option is not available in Safari browser.

- To download in desktop, visit "<https://srirama.digitalsanskrit.com/>". In the top URL bar click on the download icon.

The screenshot shows a web browser window with the URL srirama.digitalsanskrit.com. The page content includes the logo of Vyoma Linguistic Labs Foundation, the title "SRIRAMA EXPERIENCE COMPANION", and the subtitle "Application for Desktop and Mobile (Android+iOS)". There are buttons for "Login" and "Purchase Srirama framework". A central image depicts Lord Rama, Lord Hanuman, and Sita. To the right, there is a QR code with the text "Scan to install App in your mobile". A blue box highlights the download icon in the browser's address bar.

Mobile:

- To download in **mobile**, visit "<https://srirama.digitalsanskrit.com/>". In the top URL bar, click on 3 dots on "install app".
